

Occutech (Pty) Ltd

Acceptable Use Policy & Privacy Statement

1. Acceptable Use Policy:

None of the information provided on OCCUTECH's web site is intended for unethical or illegal practices, including but not limited to:

1.1 Spam:

OCCUTECH does not participate in spamming and maintains a zero tolerance spam policy

1.2 Harvesting E-mail Address:

OCCUTECH does not harvest e-mail addresses

1.3 Authorized Opt-In:

An e-mail address is subscribed to OCCUTECH opt-in e-mail list with the owner's permission

1.4 Fraud:

OCCUTECH will pursue and prosecute to the fullest extent of the law, any individual(s) who attempt to use its systems, software or services for the purpose of fraudulent transactions

OCCUTECH maintains ethical practices and will not tolerate any misuse of its resources by any third party

2. Privacy Statement:

OCCUTECH supports the right of personal privacy and corporate security on the Internet.. OCCUTECH will never sell or market names, e-mail addresses or any other privileged information about its clients or subscribers

3. Unsubscribe Policy:

OCCUTECH respects the request of any individual asking to have his/her e-mail address opted-out of its database. As well, every commercial e-mail sent by OCCUTECH provides an automated unsubscribe option at the bottom of each e-mail. All other unsubscribe requests can easily be processed by sending an e-mail, including the e-mail address to be removed, to info@occutech.co.za.

4. Why is this information collected?

Information may be used by the web site to complete the activity for which it was provided, whether the activity is a one-time event, such as returning the results from a web search or forwarding an e-mail message; or a recurring event, such as providing a subscription service or allowing access to an online address book or electronic wallet

Information may be used for the technical support of the web site and its computer system. For example, to process computer account information, to secure and maintain the site, or to verify web site activity by the site or its agents

Information may be used to enhance, evaluate, or otherwise review the web site, service, product or market

5. Who has access to this information?

This web site, entities for whom it is acting as an agent, and/or entities acting as its agent have access to this information. An agent in this instance is defined as a third party that processes data only for the completion of the stated purpose, such as a query

6. What kind of information does this web site collect?

Unique identifiers issued by a web site or service for the purpose of identifying an individual over time

Mechanisms, such as HTTP cookies, for maintaining an active connection with an individual or for automatically identifying an individual who has visited a particular site or previously accessed particular content.
